PROFILE

I am well educated and talented in management skills. I also have experience in manufacturing, launching products, handling, or leading a team.

EXPERIENCE

- Taken part in my collage Techno festival as a member in finance team. During festival we went to the market and collected the scholarship of Rs. 20 lakhs
- Have done accounting in a Novelty Argo Industry factory using the technology of Tally ERP-9 software.
- I had led a team of seven members during Rajasthan International Film Festival.
- Currently I am working on a project where we try to launch a product. Before launching the product, we had also worked on manufacturing part along with outsourcing of the materials which helped in earning a good profit margin after deduction of the EBITA.
- I have also learned about CAC and CRR which will help me during a launch of any new product and run business successfully.
- I have also presented my idea at the Smart India Hackathon.
